The Rule book is also available at www.diving.ca

Age- group determination is the diver's age as of December 31st, 2023.

Divers can compete in one age-group competition plus the Open events. However, they are not to compete in two different age groups.

Where one side of the pool is finished before the other, that side will be open for quiet warm-up. The Technical Director reserves the right to close a side for a warm-up if he deems it to be too noisy or disruptive to an event on the other side. Springboards will be open during platform warm up and vice versa.

Events may run up to 1-hour ahead of the scheduled and posted times. We highly suggested coaches and athletes should stay around the pool deck the day they are competing. A revised final schedule will be distributed upon the arrival of the teams.

> RULES FOR CANADIAN ATHLETES

Age Group events: Only **the top 15 (B & A) and Finalists (D & C)** of each event at the Junior National Championship are qualified for this meet. Those divers qualified can dive in all three junior events. If you would like an athlete to be considered for the meet who did not fulfill the criterion, you have the option to make a special request by e-mail to the technical chair, Stephane Lapointe at slapointe@camoplongeon.com.

Senior events: The senior events have been approved to be qualifiers for Senior Nationals. All athletes who wish to participate in order to make the current season DPC Senior Point Standards can do so.
